

Sending an Email Introduction

Hi Coach!

I am Tommy Goodman's mom and I was chatting with Sam King at the game last week and realized I should reach out to you!

My chiropractic practice is just a few blocks from South High School and we work with a lot of youth athletes, lacrosse, baseball, golf... you name it. We treat everything from performance and injury prevention to spine and extremity injuries. I usually suggest patients see us first for anything musculoskeletal (sprains, strains, trauma) as long as there is no blood and no bone sticking out we are usually the best place to start. We can order imaging (x-rays, MRI) when necessary.

I also recommend getting athletes set up at our office as new patients so when they need us for something acute, they can get in faster.

AND - we also treat parents & coaches - experienced, competitive athletes such as yourself!

A little bit about me...I am a certified chiropractic sports physician and a certified pediatric sports chiropractor and have 17 years of experience working with athletes of all levels - I currently work on the USGA tour at the Men's and Women's US Opens and have done several rotations at the Olympic Training Center in Colorado Springs.

New patient chiropractic exams can be scheduled online here:

You can also call or text our front desk at 303-744-7100

Please let me know if you have any questions about how we can be part of your team's care team! We can also set up a discount rate for any south athletes!

Sincerely,
Dr. Lisa Goodman
